21 March 2022

Dear school community.

Recent impacts from COVID-19 have meant that a number of our teaching staff and/or students cannot come to school as they have tested positive for COVID-19.

We have sourced a significant number of casual teachers, combined classes, and taken additional lessons for absent colleagues during this time. However due to a number of teachers being on leave at our school we must revert temporarily to minimal supervision from Tuesday March 22 until Friday March 25.

On Tuesday March 22 and Wednesday March 23

All students in Years 9 & 10 will need to temporarily learn from home.

All other year groups - **Years 7 & 8, Years 11 & 12, Support classes and IEC** - will continue to come to school for face-to-face learning.

On Thursday March 24 and Friday March 25

All students in Years 7 & 8 will need to temporarily learn from home.

All other year groups - **Years 9 & 10, Years 11 & 12, Support classes and IEC** - will continue to come to school for face-to-face learning.

Students who are required to temporarily learn from home will be supported to access online learning materials from the [Learning from Home](#) website.

We know the best place for our students to learn is in the classroom but the safety and wellbeing of our students and staff is our number one priority. We will continue to monitor the situation and advise you when it is safe for all our students and staff to return to our classrooms.

We appreciate your understanding and thank you for your ongoing support.

Yours sincerely,

Kylie Landrigan

Principal
